Piotr Kozak

Software Developer. Northumbria University, UK. | pkozakdev.com
Newcastle upon Tyne, United Kingdom

Summary

I'm a 24 year old Northumbria University student due to graduate
with MSc Computing and IT with Advanced Practice later this
year. I've completed a semester abroad at Politecnico di Milano
studying MSc Computer Science & Engineering. I consider myself
proficient in Web Development (Full-Stack with focus on backend),
iOS development and Game Development (Unity) as well as more
generalised Software Development in Java, PHP, C#. I'm also used
to working with and creating MySQL and Oracle SQL databases.
I've studied a wide range of subjects as part of my time at both
universities. I'm actively looking for a job as a junior iOS Developer
or junior Software Developer to start in September. Available for
relocation.

Modules I've taken:

Northumbria University:

- Programme Design and Implementation
- Website Development and Deployment
- Computer Networks and Operating Systems
- Database Modelling
- Systems Analysis & Design with UML
- Research Methods and Project Management
- Engineering and Environment Advanced Practice
- MSc Computer Science and Digital Technologies Project

Politecnico di Milano:

- Data Management for the Web
- Design and Implementation of Mobile Applications
- Game Theory
- Middleware Technologies for Distributed Systems
- Recommender Systems
- Videogame Design and Programming

Education
